Part 4:

Itemized Payment History

If the creditor disagrees in Part 2 that the prepetition arrearage has been paid in full or states in Part 3 that the debtor(s) are not current with all postpetition payments, including all fees, charges, expenses, escrow, and costs, the creditor must attach an itemized payment history disclosing the following amounts from the date of the bankruptcy filing through the date of this response:

- all payments received;
- all fees, costs, escrow, and expenses assessed to the mortgage; and
- all amounts the creditor contends remain unpaid.
